Eastside Lift-station Project to Begin

Castroville, TX. – The City of Castroville Public Works Department has announced work is expected to begin the week of March 20th on the Eastside Lift-station Project. This project is being constructed by RAM II General Contractor Inc. of San Antonio Texas. The project which is expected to take 270 calendar days to complete, is designed to supply sanitary sewer facilities to new construction and existing facilities on US Hwy. 90 east of the Medina river.

RAM II will be bringing in construction equipment and starting survey work around the Medina Valley Youth Baseball Park during the week of March 20, 2017. Major construction and material delivery will not occur until the week of March 27, 2017, this is being delayed to not disrupt the opening weekend of the Baseball season.

Please call Public Works at 830-931-4090 with any questions or visit www.castrovilletx.gov for more information.
