City of Castroville to Shut off Water

Two to Four-hour project on May 16, 2017

Castroville, TX (May 15, 2017) – At 1:30pm on May 16, 2017 the City of Castroville will shut off water to the area North of Highway 90 and West of Athens St., this will include the River Bluff Subdivision. Some business on the South side of Hwy 90 may be affected and will be notified personally if affected. Purpose of the shut off is to make changes in the supply piping at the River Bluff booster pump station and to connect new installed water lines into the existing water system.
